Your Rights are Changing!

From now on, you will need photo ID if you want to vote in a UK election. If you don't own photo ID, you can apply for a **FREE** Voter Authority Certificate.

A Voter Authority Certificate is something you can show at the polling station in order to vote, but it can't be used as ID in other places.

Applying for your Certificate

You can apply for your certificate online or by post, but you will need to have some personal information ready when you apply:

- Name
- Address
- Date of Birth
- National Insurance Number
- Photographs

Scan the QR code on the right to apply for your certificate, or call our advocacy and support service for help
