6 Key Questions for your Election Candidates

Accommodation
Will you support moving back to the old, fairer planning definition to improve the quality of life and wellbeing of Gypsies and Travellers?

Discrimination and equality
Will you and your party campaign for the fair and equal treatment of Gypsies, Roma and Travellers, and challenge the discrimination and Antigypsyism they face, including in politics?

Education
Will you and your party support the development of a national framework, with measurable outcomes, to improve the access and educational attainment of Gypsy Roma Traveller children in schools, further & higher education?

Health
How will you and your party ensure that Gypsies and Travellers are included in the NHS’s monitoring systems so health inequalities can finally be tackled?

Criminal Justice
What will you and your party do to 1) change the numbers of Gypsies and Travellers entering the criminal justice system, and 2) ensure all children in custody are able to access good training, education and skills for jobs they’d like to do when released?

Economic Inclusion
Will you and your party commit to providing targeted provision to address the economic inequalities experienced by Gypsy and Traveller communities?
